

Oakes Community Hospital Foundation
B.A.S.H. Gala

The Foundation at Oakes Community Hospital (OCH) will be having a first annual special event called the **B.A.S.H.** What's a Bash you ask? Each letter of bash stands for **B**uilding **A** Strong **H**ospital. Save the date, September 24th, 2011. Only 230 tickets will be available and the money raised here stays here! We are raising funds for new hospital beds.

The Gala Event is a performance by Deuces Wild who are a dueling piano team!

Deuces Wild! Dueling Pianos defies all expectations and experiences in a dueling piano show. Dave and Ted take you on a variety class act adventure, where the audience paves the way to a wild and zany performance. Completely customized for the audience, the show dares to go where you take it with comedy, music, and a whole lot of improv. Whether twenty-five or eighty-five, your audience will be guaranteed to be on their feet and part of the action!

Deuces Wild! specializes in large public events. Unlike other acts, we pride ourselves on a completely customized experience for each venue, each audience. Our reputation is based on a tight and seamless performance of comedy, music, audience interaction, and hilarious banter.

Not Your Average Fundraiser

The Deuces Wild! entertainment show is based on the standard Dueling Piano concept, but we guarantee it's unlike any other fundraising act. Your entertainment show will be completely tailored by Deuces Wild! to fit your audience and fundraising needs. Deuces Wild! creates a unique, engaging, and most importantly interactive main stage experience. What is unique about this interactivity is the additional fundraising capabilities. Whether acting as MC's of a silent auction or simply going to work for you with some fun audience 'battles', **100%** of the proceeds (tips) are contributed to your cause!

Deuces Wild! has entertained audiences from intimate theater settings to full blown arena shows

The Foundation Board of Directors, who oversees the contributions and dispersals of the foundation include:
